

Friends Of MARLBOROUGH COLLEGE MALAYSIA

I would like to wish a warm welcome to all the new families joining the College community and also welcome back to everyone for the Michaelmas Term. Many thanks to those who attended and contributed to our first coffee morning of the year. It was great to meet so many new parents, with everyone enjoying the popular homemade cookies and browsing vendors from the local community. A huge thank you to Sarah Jane Harrison for organising the vendors.

Everyone involved with Friends of MCM is a volunteer, without which we would not be able to produce our fantastic community events and run other programmes supporting the College. Please let us know if you are interested in volunteering for the Christmas Fair, serving drinks at our sporting events or our annual Ball.
